Back in 1926 the United States Department of Agriculture located a sugar cane research station in Canal Point and during the past forty years that station has become one of the most important operated by the department. This week an announcement has been made of a major improvement program at the station amounting to \$162,200.00 which is to be completed by the contractor in 215 calendar days.

The building includes a laboratory and office building, and a greenhouse and head-house, according to Dr. Leo P. Hebert, station superintendent. The low bidder on the contract was the overland Construction Company of West Palm Beach.

The new office and laboratories will be erected on the spot now occupied by the present headquarters which will be torn down before construction starts. The station is located just north of the post office in Canal Point on US-441.

Recently two new greenhouses and one head-house have been completed at the station. Dr. Hebert said the new building will be 92 feet long across the front and 43 feet deep. The new office will provide headquarters for agronomists, botanists, entomologists and others who will be directly connected with the sugar cane station.

Sugar cane seed raised in Canal Point is used in Mississippi, Louisiana, Georgia and many other regions throughout the cane raising world.

Four new members will be added to the Canal Point station when the new \$162,200 buildings are completed.

Florida's Answer to Calgary, Pendleton and Cheyenne—famed western rodeos—will begin with an afternoon performance at 2:30 p. m., Sunday, July 2, continue on Monday with Quarter Horse halter classes (9:00 a. m.) a parade through downtown Kissimmee (11 a. m.), Quarter Horse performance (1:00 p. m.) a parade in St. Cloud (2:00 p. m.), and a rodeo performance under lights at 8:00 p. m. On Tuesday, a youth Quarter Horse show is scheduled in the morning, and the Fourth of July rodeo performance will start at 2:30 p. m.

The recognized leader in trick and fancy riding, Jim Bakewell, Jr., of Oklahoma—will be the featured attraction, along with the famous Silver Spurs Quadrille (square dance on horseback). Also scheduled: wild horse races, miniature chuck wagon race, junior and senior barrel race for girls, and a boys yearling ride.

May Sales Tax Little Higher Than Last Year

Tallahassee—Fred O. "Bud" Dickinson, Jr., Comptroller of Florida, today reported that sales and use tax collections for May totaled \$25,917,023.

Dickinson said the revenue from the collections of the sales and use tax and the state's gasoline tax made slight gains over collections for the same month last year. Yet, Florida's wholesale sporting goods tax brought in 8.7 per cent less money than it did in May 1966, he added.

However, with one month remaining in the current fiscal year, Dickinson noted that collections from all of the three taxes are exceeding collections for a similar period during the previous 12-month period.

Last month's revenue in the major category of sales and use tax was up \$590,545 or 2.3 per cent above May collections of 1966.

Fiscal year collections of the tax to date (July-May) total \$276,171,162—an increase of \$15.9 million or 6.1 per cent above total collections for a similar period during the 1965-66 fiscal year.

Gasoline taxes for May 1967, amounted to \$14,478,094. This is an increase of \$203,588 or 1.4 per cent above collections for the same month one year ago.

Fiscal year collections to date total in excess of \$154.5 million, representing an increase of \$8.2 million or 5.6 per cent above collections for a like period during the previous fiscal year.

During May of this year, the sporting good tax netted \$136,166, which is a decrease of \$18,000 below collections for the same month last year.

Need More Cash To Pay For C. P. Street Lights

The officers of the Canal Point Lions Club said this week that the street lights in Canal Point could be turned off on July 1 if more money isn't forthcoming. They would like all the residents of the town to please try hard to donate toward the fund. Any member of the club could be given the donation toward the fund.

Albert Fremd, D. L. Hooks and Gauden Harrington, street light committee, have announced that Florida Power and Light Company has the authorization to turn off the street lights unless the money is received by them by Saturday, July 1.

It was also announced that the next regular meeting of the Club would be held on Monday, July 17, at 7:00 p. m. at the Glades Truck Stop Restaurant with J. G. Weeks in charge of the program for the night. The July 3 meeting has been cancelled due to the holidays.

Movie Films Are Available From Phone Co.

Movies—free for the asking are available to clubs and other organized groups in the Glades area.

Charles Leonard, Southern Bell manager, said that the company has a wide variety of motion pictures available without charge to civic, religious, community and youth groups.

"We have films on communications, advances in science, safety

and general interest subjects," he said. "And at this time of year, most of them are obtained easily."

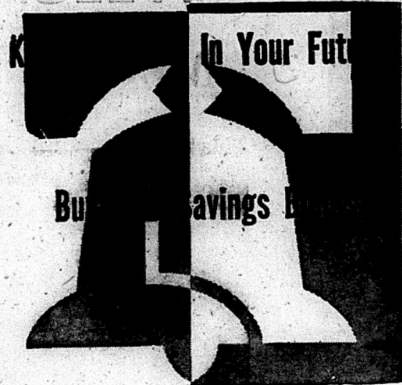

The demand for movies is high during the fall, winter and spring seasons, Leonard noted. However, during summer months when school is out and when many organizations do not meet regularly, most films are readily available.

"The movies cover such a wide range of subjects that almost any group is sure to find one or several of interest," he said. "Most of the films—which run from eight to 60 minutes—are in color."

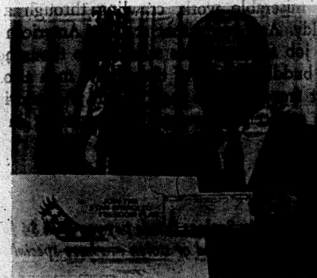

Arrangements for borrowing a film can be made through Southern Bell's local business office.

Covered Dish Supper By Adult Union

The Adult Training Union of the Pahokee First Baptist Church held a covered dish supper and fish fry at Paul Rardin Park last Thursday. J. A. Guthrie furnished the fish and Wiley Tillis made the hushpuppies for the training union members and their families in attendance.

"Freedom must be at all times defended, because it is at all times besieged. Not all of us are called to fight on the battlefield. Many of us must, quietly and firmly, do what we can and all that we must, here at home. Buying Bonds, regularly, is as important to this nation in the long reach of history as almost anything we can do."

Why buy U.S. Savings Bonds regularly—through Payroll Savings where you work or Bond-a-Month where you bank—you are also entitled to purchase new Freedom Shares. Freedom Shares are short-term Savings Notes. They pay a higher return than Savings Bonds (4.74% when held to maturity in 4 1/2 years), may be bought one-for-one with Bonds in four denominations, and are redeemable after one year. You will find complete information where you work or bank. President Johnson displays the first Freedom Share.

NEW FREEDOM SHARES

What are they? Who may buy them?

Americans have put their savings to work for freedom through U.S. Savings Bonds for many years. New Freedom Shares do the same job . . . plus. Read how.

Freedom Shares are U.S. Savings Notes. They pay a higher return than Savings Bonds, 4.74% when held to maturity. And they mature in just four-and-a-half years.

For regular Bond buyers only

These new Freedom Shares—which are not redeemable for the first year—are offered on a one-for-one basis with E Bonds, but only to people who belong to the Payroll Savings Plan where they work or the Bond-a-Month Plan where they bank.

There are four denominations of Freedom Shares, each of which may be paired with a Series E Bond of the same or larger denomination, as a "package." For instance, for

\$39 total, you can purchase a Savings Bond that matures at \$25 and a Freedom Share that matures at \$25.

America needs your help

When you buy Savings Bonds and Freedom Shares you do an important job for freedom, backing our men in Vietnam and helping to keep the country economically strong. The need is urgent. What *you* do counts.

Sign up

Tell your supervisor or the Payroll Department where you work (or any officer where you bank) that you'd like to join a Bond purchase plan. Decide how much you'll save . . . whether you want Freedom Shares as well as Bonds . . . and just sign the authorization card.

You'll be helping your country as you help yourself; the country needs your help.
